### <sup>1</sup> Scheme responsible for the protection of your deposit

Your deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your credit institution should occur, your deposits would in any case be repaid up to €100,000.

### <sup>2</sup> General limit of protection

If a deposit is unavailable because a credit institution is unable to meet its financial obligations, depositors are repaid by the Depositor Compensation Scheme, in accordance with the regulations. This repayment covers a maximum of €100,000 per credit institution. This means that all deposits at the same credit institution are added up in order to determine the coverage level. If, for instance, a depositor holds a savings account with €90,000 and a current account with €20,000, he or she will only be repaid €100,000.

In addition to the protection described above, deposits may be protected in some cases up to a maximum of €500,000 for six months after the amount has been credited or

from the moment when such deposits become legally transferable. In order to qualify for such higher protection, a deposit in excess of €100,000 must meet any one of the following additional criteria:

- i. it comprises:
  - a. Monies deposited in preparation for the purchase of a private residential property by the depositor; or
  - b. Monies which represent the proceeds of sale of a private residential property of the depositor; or
- ii. it comprises sums paid to the depositor in respect of:
  - a. A separation, divorce or dissolution of their civil union; or
  - b. Benefits payable on retirement; or
  - c. A claim for compensation for unfair dismissal; or
  - d. A claim for compensation for redundancy; or
  - e. Benefits payable for death or bodily injury; or
  - f. A claim for compensation for wrongful conviction.

### **<sup>3</sup>Limit of protection for joint accounts**

In case of joint accounts, the limit of €100,000 applies to each depositor. However, deposits in an account to which two or more persons are entitled as members of a business partnership, association or grouping of a similar nature, without legal personality, are aggregated and treated as if made by a single depositor for the purpose of calculating the limit of €100,000.
