

Fixed Term Deposit

You're the kind that keeps your eyes on the ball. Perhaps you're saving up for something big, new wheels, or maybe your dream home?

Interest Rate	Duration	Interest Frequency
0.05% – 3.00%	3 Months – 5 Years	Monthly, quarterly, semi- annually or annually

Why a Fixed Term Deposit Account?

A Fixed Term Deposit Account gives you the opportunity to enjoy higher interest rates on your savings over a set time period.

It's an ideal way to safely grow your money if you're planning for a long-term objective like buying a property or organising a wedding.

Important Information

Opening and managing the account is free of charge and can be opened with a minimum of 100 in the currency of denomination.

1

Interest rates are quoted gross of tax on a per annum basis and guaranteed for the entire term, and will remain unchanged regardless of changes in market interest rates.

2

You can choose to have interest paid quarterly, bi-annually or annually. Interest for the 6 month account will be paid at maturity.

3

For accounts with a balance of 20,000 or more, in the currency of denomination, you have the additional option for interest to be paid monthly.

4

*Withdrawals may be made only upon maturity of the account, and early withdrawals are not permitted. If a withdrawal is made, the rate will not be achieved.

5

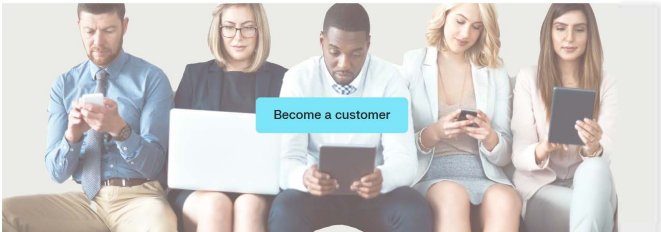

The Bank and its products are regulated by the Malta Financial Services Authority.

6

Deposits are guaranteed up to €100,000 per depositor per credit institution under the Malta Financial Services Authority Depositor Compensation Scheme.
